**Mobile Air Conditioning Society (MACS)
Announces 2014-2015 Scholarship Winners**

RESEARCH TRIANGLE PARK, N.C. – The Mobile Air Conditioning Society is proud to announce the recipients of its 2014-2015 scholarships for students entering the automotive aftermarket:

- Levi Tofell of Klamath Falls, Ore.
- Justin Turkett of Vernon, Texas
- Sommer Zent of Billings, Mont.

“MACS is pleased to assist these applicants as they start their education in pursuit of careers in the automotive aftermarket,” said Andrew Fiffick, MACS chairman. “This is our second year drawing our candidates from the Global Automotive Aftermarket Symposium Scholarship website and we continue to be impressed with the excellent applicants and ease of using the online process.”

For more information on the GAAS scholarship program, please visit www.AutomotiveScholarships.com.

About MACS

Founded in 1981, the Mobile Air Conditioning Society (MACS) is the leading non-profit trade association for the mobile air conditioning, heating and engine cooling system segment of the automotive aftermarket. MACS represents a growing membership in North America and 47 countries around the world, and is affiliated with the Vehicle Air Conditioning Specialists of Australia (VASA). MACS also provides information and services to more than 60,000 industry shops, suppliers and technicians. The Society serves the industry through informational tools, self-paced educational materials, leader-led training clinics, advocacy and other member services. Since 1991, MACS has assisted more than one million technicians to comply with 1990 Clean Air Act requirements for certification in refrigerant recovery and recycling to protect the environment.
