

THOMAS PIPER

Vice President Information Technology Automotive Supply Associates/Sanel Auto Parts

Thomas Piper has been with Automotive Supply Associates/Sanel Auto Parts in Concord, N.H. for over 25 years. His entire career in the automotive aftermarket has been spent with the company. He has worked in every department of the company including the warehouse, accounting and credit, and then in the computer department.

Piper has worked in the computer department for over 16 years. He was systems manager for over 14 years and was promoted to vice president in 2009. Piper has helped transition the company through three major system implementations as project manager. He has been a member of the Automotive Distribution Network (ADN) IT committee for the past year.
